Marie Morris suggested that we might appoint an one active boy to see that things are kept clean.

To Florence Katscha, Florence gave a thorough lesson on step by step preparation for hanging baskets. Very interesting and informative. Some of the members were saying it was their very first lesson in hanging baskets, and types of suitable plants etc.

Doris Savage was a little like a thorough bred race horse waiting for the gun to begin the race. waiting to begin another very successful Auction of things brought in by the Club members. Their Auction was without a doubt the very best one yet. Or thanks to the members who brought items from their homes. I'm certain the members join together in expressing appreciation to our Able Auctioneer Doris Savage.

There being no further business the meeting was adjourned.

Respectfully Submitted.
