## SUMMARY OF OUR LIBRARY

The Floral Garden Club has the use of two shelves and a reading table in the Floral City Library. For the past three years books have been purchased from a memorial fund in memory of Garden Club members or their spouses. At the present time the Garden Club donates \$10.00 in memory of a member and \$5.00 in memory of a spouse, to the memorial fund. We have also received books and money for our project from interested friends. As of December 31, 1975, we have a total of 88 books on our shelves. This is a 1.7 plus average book per member.
