*A Note from your President
September 2009*

GardenWeed-Em & Reap

Dear FCGC Members:

Welcome back to another year. I hope each of you had a great and healthy summer. In these economic hard times we've been having lately it's nice to go around and see all the u-pick-em places and roadside fruit and vegetable stands throughout our county. I hope you are taking advantage of them. If not, then I hope you are growing something to add to your neighbors tables. It is wonderful eating something you have grown yourself.

I am really looking forward to being your President for the next two years. The things we can accomplish if we put our hearts and minds into it are endless. When I look around at all of the wonderful gardens downtown, and the lovely new grounds surrounding our new library and community building, I feel so proud to call Floral City my home.

This next year I hope to continue with all of the goals that have made this Club what it is today. With your continued love and support who knows what all we can accomplish this year. With our Annual Plant Sale, Secret Garden Tour and the donations for the Santa's Workshop for the girls at E-Nini-Hasse, let's have a very prosperous and giving year.

To all of you and yours I thank you for this opportunity to be included in the names of our past presidents. It's an honor I hope I can fulfill with memories for a lifetime. Thank you.

Now, let's get our fingers dirty and Weed-Em & Reap. My love to all of you and here's to a wonderful year.

Sincerely,

Christine Harnden

SPECIAL PROJECTS

President’s Projects

GOLDEN DAYS

The Golden Days project promotes and encourages the planting of daffodils with emphasis on remembering senior members. Clubs are also encouraged to develop mass plantings of daffodils at retirement centers, public buildings, Blue Star Memorial sites, etc.

BEAUTIFY BLIGHT

Beautify Blight is designed to encourage garden clubs, districts and/or regions to partner with community leaders or government agencies AND one or more organized youth group’s to identify a blighted or unsightly area within their community and develop it into a community garden area.

PLANT IT PINK

National Garden Clubs Inc. and Susan G. Komen for the Cure, the largest breast cancer organization, announce Plant It Pink, a multi-faceted initiative designed to support Susan G. Komen for the Cure’s mission to save lives and end breast cancer forever.
