Floral City Garden Club

The Garden of Inspiration

Welcome to the New Year.

Thank you for the support you have given me the last three years and I am looking forward to another exciting last year as your President.

All of our members have worked together the last 3 years to run very successfully fund raisers that supported our scholarships, community gardens, community programs and our club's financial needs. This created a foundation for future successful fund raisers where everyone works together.

The Landscape Committee has taken the FFGC Motto of "The Garden of Inspiration" to heart and inspired gardening by redesigning the Rose and Butterfly Gardens making attractive points of beauty along the rail trail and also restarted the Junior Gardening program encouraging youth to learn and enjoy gardening.

I am looking forward to the "Yarn Bombing" fund raiser planned for our Garden Club this year. A new unique way to raise much needed funds to finance our Club at the same time doing community projects for Trees, Veterans and the Homeless.

Thank you one and all for the support you have given the Garden Club and me the last four years.

Lona Bassett

Floral City Garden Club President
