Floral City Town Center, Gazebo on the Withlacoochee State Trail and the Historic Oaks along Orange Avenue have all received their annual big red bows and are all dressed-up for the coming holidays.

It is now time for members and friends of the FFGC Floral City Garden Club to think of their own trees and decorate an ornament for themselves.

Continuing decorating activities are planned for the annual Winter Luncheon and meeting of the FFGC Floral City Garden Club to be held at 11 a.m. Friday, Dec. 10, in the Community House at the Town Center. A few days of cooler weather has encouraged President Carol Wood to announce the luncheon will consist of a variety of appetizers, soups, bread, salads and desserts that members will bring to share. President Wood will bring a small tree to decorate for the centerpiece and there will be lots of clear glass ornaments for all in attendance to demonstrate their decorating creativity with the goal of taking the ornament home for their own tree.

Members will also be bringing floral or foliage to the meeting for the Grow 'N' Share Table. Blooming cuttings will be used to form an arrangement.

The club warmly welcomes members, family, out-of-town guests; everyone is welcome to come along for the luncheon. Just be sure to email president @floralgardenclub.com or call her at 813-235-3917 and let her know the number coming.
